

Astronomy and Physics Prerequisite Map (January 14, 2009)

Notes:

1. Rules for following prerequisite paths: One can go left to right, up or down, and not against an arrow. ↷ indicates a jump.
2. Underlined courses also have math prerequisites. Y1.2: MATH1210; Y2.1: MATH1211; Y2.2: MATH2301/2311; Y3.1: MATH2303/2311
3. Cycled course-pairs are colour coded.
4. Where this table and the current edition of the Academic Calendar differ, the Calendar will be considered correct.
